Tickets to the exhibitions and seasonal attractions are for individual touring, EXCEPT the *Royal Private Apartments* and *Wawel Architecture and Gardens*, which can only be toured in guide-led groups (guide service is included in ticket price). Guide service in several languages is available for all of our exhibitions, but reservations must be made in advance through the Reservations Office; additional charges apply. Advance reservations are required for groups.

Last visitor entry is one hour before exhibition closing time. For conservation reasons, there are daily limits on the number of visitors; during the summer season tickets may run out before the end of the day. Audio Guides are available.

Free admission (individual visitors only, no groups) to selected exhibitions: Mondays (April 1–October 31) or Sundays (November 1–March 31). Please note: free admission ticket must be collected from the ticket office.

You may not bring luggage or large bags etc. into the exhibitions (handbags are fine). For your convenience we provide two luggage rooms:

 Bernardyńska Gate – check large items such as suitcases, bags, backpacks etc.

 Arcaded Courtyard (only for visitors entering the castle) – hand luggage, small backpacks, umbrellas, strollers etc.
