

Figure 1 is a technical drawing of a dam cross-section. It consists of a central longitudinal section and two side cross-sections. The central section shows a dam body with a crest width of 10.0m, a base width of 10.0m, and a height of 10.0m. The side sections show the dam's profile relative to the riverbed and the existing dam structure. Dimensions are given in meters (m).
